BLUE

WHAT'S NEW ABOUT BLUE? IT'S ALL IN THE PAIRING. ADD CONTRAST AND INTEREST WITH CHOCOLATE BROWNS OR VIVID REDS, OR GO SLEEK WITH A NEUTRAL BACKDROP. FIND YOUR PERFECT BLUE IN THIS LOVINGLY CREATED WATER BEADS HARMONY COLLECTION™.

IT'S ALL ABOUT BLUE

The soothing colors of the Water Beads Harmony Collection suit any room where creating calm is essential. In the bathroom, the ocean hues suggest a fresh morning breeze; in layered pastels, they bathe generations of newborns in a soft, protective shell. Because of the serenity it creates, try blue in a screened-in porch, solarium or even your home office. Pair it with stimulating yellows or oranges to balance the relaxing effect.

Blue refreshes, soothes and induces meditation; it lends the feeling of protection to the frenzy of daily life. In loyal, darker shades, blue tempts you to sleep, while lighter, more vibrant shades stimulate creativity.
